# NOTES ON CCS SCHOLARSHIPS

Before applying, applicants for CCS Postgraduate Scholarships and Bursaries must be aware of the following points:

- Twentieth Century Catholic Theology (DL) THEO 46130
- High Medieval Franciscan Theology (DL) THEO 46530
- Faith and Reason (DL) THEO 46430

Applicants from the MA in Theology and Religion (V8K407) must also pursue a dissertation with a clear link to Catholic Theology / Catholic Studies as outlined in (a) above.

- (c) It is important that new candidates for postgraduate programmes in the Department of Theology and Religion complete their online programme application by the deadlines given above as CCS Scholarship/Bursary applicants must have been formally offered a place on an eligible programme of study before their application for a CCS Scholarship/Bursary can be considered.
- (d) Eligible current Department of Theology and Religion students who have not previously been in receipt of a CCS Scholarship or Bursary may apply for 2024-25. It is expected that these applicants will have regularly participated in CCS seminars and events during their registration in the Department of Theology and Religion.
- (e) All tuition fee only scholarships and bursaries will be awarded on the basis of demonstrated financial need, coupled with excellent academic performance.
- (f) Receipt of any CCS Scholarship or Bursary implies that recipients will share regularly in-person in the academic programme of the CCS through participation in such things as: the thrice-termly Catholic Theology Research Seminar (CTRS), CCS Staff-Student Research Conversations, the annual Bishop Dunn Memorial Lecture, the CCS Friends' and Benefactors' events, the Early Career and Postgraduate Conference, and other such events organised by the CCS for the CCS community. Where appropriate and where compatible with students' other academic commitments, students may be asked to participate in the planning and delivery of such activities.
- (g) Following application and during the period of any award, receipt of any other scholarship, bursary, or financial assistance towards the cost of tuition fees and/or associated living costs must be declared to the CCS Manager and may lead to a reduction in (and in extreme circumstances total cancellation of) the level of the scholarship/bursary award. Failure to declare any such additional assistance will automatically carry the penalty of total cancellation of any CCS Scholarship/Bursary award.
- (h) With the exception of the FCJ Scholarships, due to the limited funding available, support cannot be given towards maintenance costs, just help towards tuition fees.

---

<sup>6</sup> See footnote #3

- (i) Priority will be given to applicants who are pursuing a research topic in the area of Catholic Theology / Catholic Studies, who demonstrate financial need, and who can demonstrate their ability to meet their own maintenance costs (with the exception of the FCJ Scholarships) and any shortfall in tuition fees.
- (j) With the exception of the FCJ Scholarships, awards are made for one full academic year and do not imply commitment to renewal for future years of study.
- (k) That said, priority will be given, where possible, to students who have already been in receipt of a CCS Scholarship or Bursary during the previous academic year and who have at least one further year of study to pursue. Further awards are subject both to sufficient funds being available and to a satisfactory progress report being received from the student's primary supervisor prior to the meeting of the CCS Scholarships Committee in June.
