# Fukuoka: Top 10 of the world's most livable cities

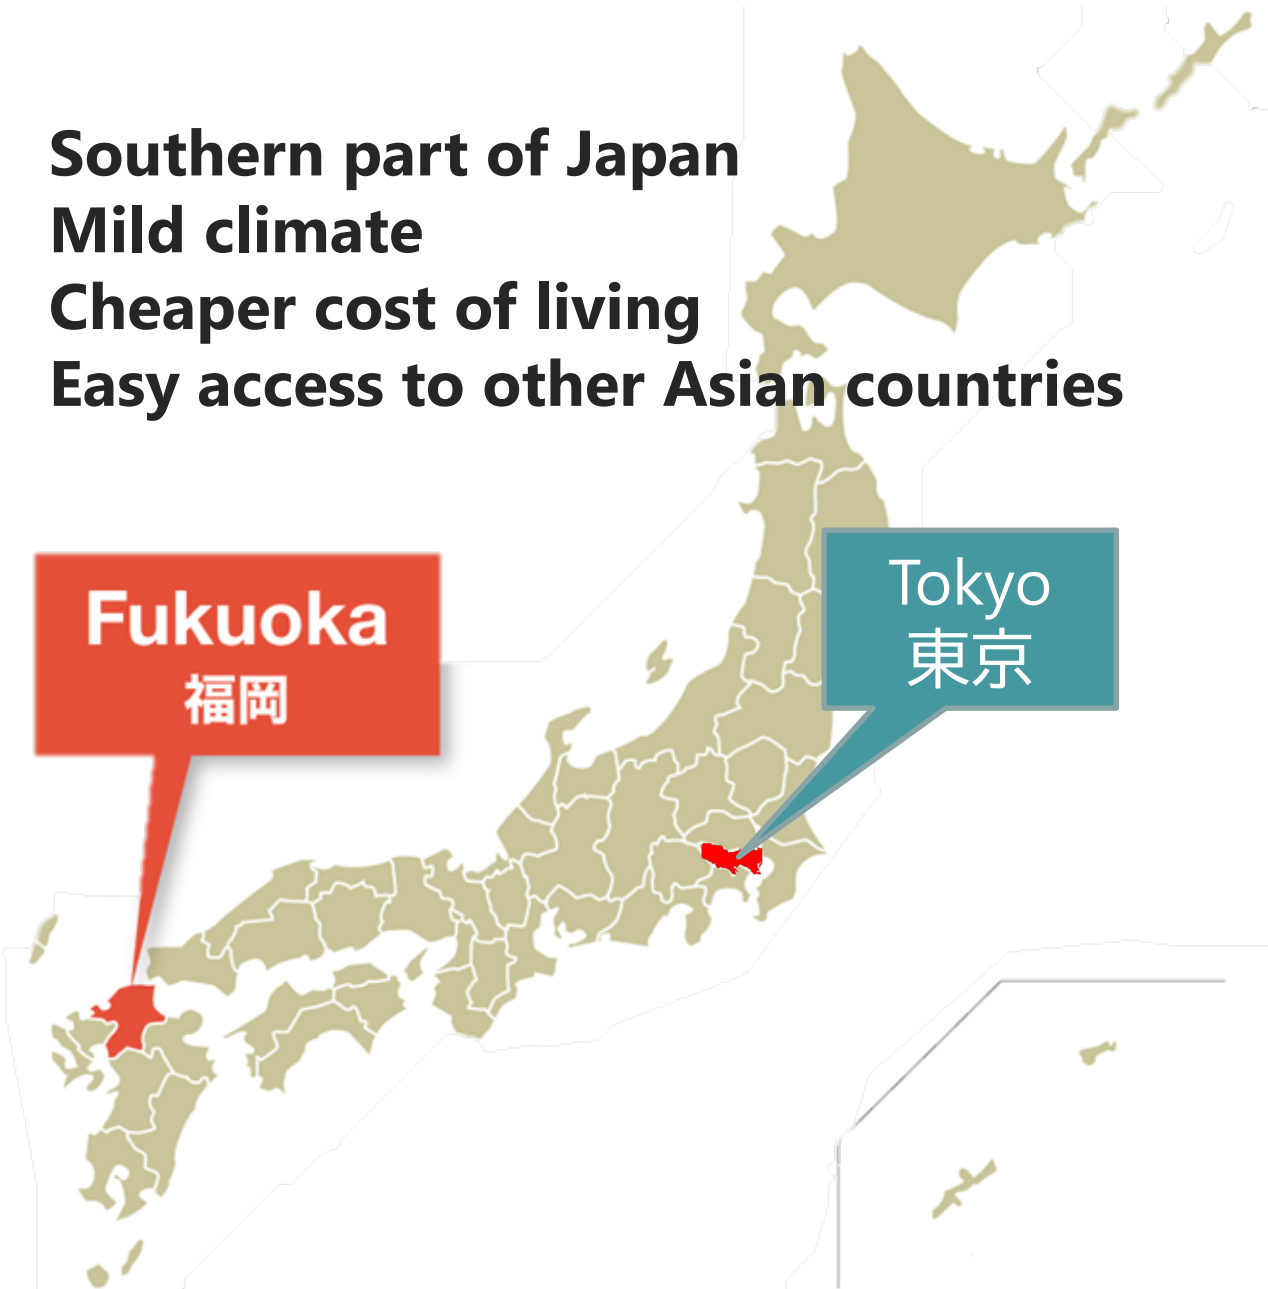

# Fukuoka: Top 10 of the world's most livable cities

# Fukuoka: well-balanced city

**Southern part of Japan**  
**Mild climate**  
**Cheaper cost of living**  
**Easy access to other Asian countries**

One of the most livable cities.  
Many shopping areas, good foods, nature spots.

Most increasing population growth rate in Japanese city. Redevelopment of urban areas with the strong support of the Japanese government.

Many support for global startup company.
