

On behalf of all staff and students here at Durham University, I would like to thank all of our benefactors for their generous support over this last financial year: August 2017 – July 2018.

Our 2017/18 Donor Roll lists all those who have made financial donations to enhance the University through student support, research, outreach, and capital developments. Your contributions have done a great deal to advance Durham's educational and societal mission. In addition to the donors listed below we are also grateful to those who have chosen to donate to the University anonymously.

We hope that you will continue your vital support into the future and learn more about the impact of your donations on our stewardship pages here: [www.dunelm.org.uk/donations/your-impact](http://www.dunelm.org.uk/donations/your-impact)
