

Donor Roll 2019-20

Alumni and supporters of Durham University give back to our global community in so many ways: from hosting and speaking at events, to mentoring and graduate career support, and through philanthropy. We are grateful and honoured to receive such generous support and we seek to recognise the substantial efforts of all of our supporters in many different ways.

On this annual Donor Roll, we spotlight and offer particular thanks to those who have made financial gifts to the University and/or provided sponsorship through the Development and Alumni Relations Office (DARO) during each financial year.

Over this last year, the pandemic presented our students, academics, professional staff, and our alumni – and families of all – with significant and unanticipated challenges. We were therefore deeply heartened by the swift response to our emergency Chancellor's Appeal; our students and researchers continue to be supported by the Appeal's Covid-19 Recovery Fund. On behalf of those beneficiaries, we offer donors to this fund our renewed gratitude.

In addition to the donors listed below, we are also grateful to the many supporters who donate to the University anonymously. While every effort is made to record names in accordance with our donors' wishes, if we have made mistakes, or omitted your name in error, please accept our apologies and let us know so we can correct this mistake immediately. Where names are listed more than once, this is due to individuals with identical names having donated.

Should you have any queries or wish to report any errors/amendments, please email Lynn Shipley, Stewardship Officer, at stewardship.officer@durham.ac.uk or telephone her direct on +44 (0)191 334 6299.
