### St Mary's Rowing Jacket

**"I chose St Mary's as my mother Audrey Barker (1948 - 1951) was an alumna. My mother had been a College Rower and had a resplendent purple blazer which she showed me many years later. We attended several Reunions together and I wore the jacket in her memory to the 2019 reunion and at the 2024 St Mary's event in London"**
