Climate Change Conference

Systemic Integration of Climate Change in International Law

28-29 August 2025, 9:00 AM to 5:00 PM (hybrid)
Venue: Copthorne King's Hotel, Singapore

The Centre for International Law, National University of Singapore, and Centre for Sustainable Development Law and Policy, University of Durham, supported by the Institute of International Legal Studies, University of the Philippines College of Law, Centre for Environmental Law and Climate Justice, Universitas Indonesia Faculty of Law, and the Universiti Malaya Climate Change Network are convening a two-day conference on the theme of 'Systemic Integration of Climate Change in International Law' to bring together scholars, policymakers, and legal experts to discuss recent developments in national and international governance on climate change and identify ways in which systemic integration and coherence can be achieved.
