

# Continental shelf submissions in the Central Arctic Ocean

- |  |  |   |
|--|--|---|
| Canada continental shelf beyond 200 M (see note 2) | Seabed beyond any state's continental shelf (note 1) | Agreed boundary   |
| Denmark continental shelf beyond 200 M (note 3)    | All other waters                                     | Russia-USA maritime boundary (1990) in areas of overlapping shelves |
| Norway continental shelf beyond 200 M (note 4)     | Land   | Median line   |
| Russia continental shelf beyond 200 M (note 5)     | North Pole   | Unresolved maritime boundary  |
| USA continental shelf beyond 200 M (note 7)        |  | Area where Canada's, Denmark's, and Russia's submissions overlap    |

For an explanation of continental shelf submissions and other zones depicted on this map, please see briefing notes at [https://r.dur.ac.uk/?c3b13b\\_Arctic\\_Map\\_Series](https://r.dur.ac.uk/?c3b13b_Arctic_Map_Series)
